

# ROLLER'S *Central*

German Top Quality

Unique locking of the die head!

## Proven, robust, manual thread cutting stock for pipe threads 1/8–2", 16–50 mm.

- Very slim ratchet head form for working in places with difficult access.
- Dividable pipe arm for short ratchet travel and reduced lever length in confined workspaces.
- Quick, easy changing of the die heads.
- Unique locking of the die head in the ratchet lever, therefore secure seat when starting to cut.
- Precision, robust quick-change die heads with exactly fitting dies with optimum cutting geometry, for extremely easy cutting start and easy cutting of standard threads. Long, precision pipe guide for perfect centring of the pipe. Large chip window for perfect chip flow. Proven quality ROLLER'S Central dies made from special tenacious steel for extremely long life.
- Quick-change die heads also fit the electric thread cutting stock ROLLER'S King 1 1/4, ROLLER'S King 2.
- Quick-change S die heads for thread cutting in places with difficult access (accessory), see page 17.
- Quick-change die head for thread cutting in places with difficult access.
- ROLLER'S Nipparo, manually inside clamping nipple holder for rational production of nipples and double nipples in any desired length (accessory), see page 20.

Scope of Delivery Art.-No. €
