# ROLLER'S Pulsar

German Top Quality

Compact, powerful electric soft soldering device for copper tubes Ø 6–54 mm.

- *Electric soldering without flame, no fire risk.*
- *Compact, handy, easy to transport.*
- *Large working radius by extra long soldering tongs cable (4 m).*
- *Universally applicable. With rod electrodes (accessory) also in confined spaces.*
- *Short soldering time by high heating power (900°C) and high soldering power (2000 W!).*
- *Immediately ready for soldering, no heating up time, no setting.*
- *Trouble-free working by temperature-independent control of the solder current with protective low voltage 24 V (safety transformer). No complicated setting of pneumatic controls.*
- *Easy changing of the electrodes. Stainless steel electrode holders and screws.*

Scope of Delivery	Art.-No.	kr
ROLLER'S Pulsar		
Electric soft soldering device with soldering tongs, 4 m long soldering tongs cables, 2 prism electrodes	164011 A220	**9 880,00**
ROLLER'S Pulsar Super-Pack		
Electric soft soldering device with soldering tongs, 4 m long soldering tongs cables, 4 prism electrodes, 2 rod electrodes, ROLLER'S Corso Cu/INOX 3–35 pipe cutter, ROLLER'S Cloth cleaning cloth, in steel case	164050 A220	**12 300,00**
Accessories		
Prism electrode, pack of 2	164111 A	320,00
Prism electrode with holder, pack of 2	164110 A	530,00
Rod electrode, pack of 2	164115 A	330,00
Steel case with inlay	164250 A	1 600,00
ROLLER'S Vlies (pack of 10)	160300 A	130,00

ROLLER'S Jet-Fire

German Top Quality

Compact, robust propane blow torch for soft soldering of copper tubes up to Ø 35 mm.

- *Self-igniting by piezo ignition, therefore lower gas consumption (only 200 g/h at full soldering power) and high work safety.*
- *Universal burner pipe with turbo-twist amplifier, flame temperature 1,950°C, for fast soft soldering.*
- *Handy, one-handed operation. No setting, no regulation.*
- *Locking knob for continuous operation.*

Scope of Delivery	Art.-No.	kr
ROLLER'S Jet-Fire		
Propane blow torch with piezo ignition, gas connection G ⅜" LH, tube and union nut G ⅜" LH	160010 A	**3 020,00**
Accessories		
High pressure hose 3.0 m, G ⅜" LH	152106	1 120,00
Pressure reducer for 5 or 11 kg gas bottles (2 bar)	152109	1 440,00
ROLLER'S Vlies (pack of 10)	160300 A	130,00
